

# PROGRAM ADD-ONS AT THE FARM

These quick, one hour program enrichment opportunities will take your group to Camp St. Croix's beautiful educational farm for hands-on learning and grass-roots fun.

## FARM TOUR AND TASTING

Take a Guided Tour of the Farm at Camp St. Croix to see the High Tunnels, Discovery Garden, Hen House, and taste what is in season! Learn the history of the land and how regenerative practices are being used to sustain life.

Price: \$15/ person

Session offered: May, September, October

## YOU-PICK RASPBERRIES

Visit the farm and pick raspberries to take home with you!

Price: \$8/pound or \$4/pint

Session offered: September until frost

## EXTENDED SEASON SALAD GREENS

With a few simple materials, you can grow salad greens in your own backyard in early spring, while holding them until Thanksgiving and even later. Come learn how!

Price: \$15/person

Session offered: April, May, Oct, Nov

## HERBS: THE BASICS

Learn the flavors of basic herbs, how to use them in your cooking, and how to save them for later use at home.

Price: \$15/person

Session offered May, Sept, Oct

## BACKYARD CHICKENS

In this session you will tour the hen house and learn tips and tricks to keep your own flock of egg laying hens at home.

Price: \$15/person

Session offered: May, Sept, Oct

## FLOWER ARRANGING

Enjoy time in our flower garden while picking a beautiful array of flowers, learn the basics of flower arranging, and take your freshly-cut and arranged bouquet home!

Price: \$15/person

Session offered: September, early October until frost

## FLOWER SEED SAVING

Learn to save your own seed from flowers grown at home. Learn the best times to harvest them, and how to use the wind to winnow the chaff from the seed. Take some home to plant next year!

Price: \$15/person

Session offered, after frost through end of October
