

YMCA CAMP ST. CROIX INVITES YOU TO:

RENT THE FARM

Perfect for
Graduation Parties,
Corporate Events,
Family Gatherings,
Birthday Parties,
and
good old-fashioned
Get-Togethers.

**Gathering Spaces are available from May to October (all spaces are unheated)
When renting the farm, you have access to all three of these spaces**

Pavilion – Large, 60'x 40' modern pole building with a concrete floor and big sliding doors on all four sides. Classy black interior with string lighting and cedar wainscoting. Inside there are 19 gorgeous farm house tables** with unattached benches that each sit 8, for a total seating capacity of about 150 in this space.

**These tables, albeit gorgeous, are very, very heavy. You are more than welcome to move and set the tables however you wish to meet your set up needs and vision! Bring your friends with muscles because they are heavy! (and please lift our tables and benches instead of dragging them). If a few end up going outside, we ask that you bring them back in before the end of the night.

Discovery Garden– Gorgeous garden (season and weather dependent) with a pergola, picnic tables, and places to play and picnic. Photo opportunities are stunning in late summer.

Dairy Barn – A small, semi-open space with stainless steel counters, concrete floors, and white, concrete walls with windows. The hayloft is not available for use. A small food prep space with a refrigerator, oven, and counter top is available for use. A three basin sink in the back of the barn is available to rinse dishes if needed. There is no hot water or sanitization. This is a great spot for catered appetizers, food lines, photos, and gifts!

Frequently Asked Questions:

Capacity of venue: 150 or less

Package Info and Pricing:

Half Day, 5 hours (Saturday or Sunday flexible times) or weeknight evening 5-10pm: \$300

Full day (Saturday or Sunday): \$800

Farm Animals: Depending on date of your rental there may be some animals hanging around in the pastures (chickens, sheep, goats, or a donkey). If they come to the fence, you can pet them. Remember to wash your hands!

Pizza Ovens: The pizza ovens are not available for rental.

Dishwashing: There is a three basin sink in the back of the barn that can be used to rinse dirty dishes. Water is cold. Dishes can be rinsed if desired and then taken home to wash and properly sanitize.

Bathrooms: There are portable restrooms on site with handwashing stations available

Smoking: Smoking is not allowed on the property.

Dogs: Dogs need to stay at home. With our animals and chickens, we don't allow dogs on the farm.
