OUR MISSION

Steeped in rich, long-standing traditions dating back to 1927, Camp Warren empowers young people ages 7-17 to be their best with single-gender camp experiences. At Warren, campers are provided with unique and powerful ways to learn and care about themselves, others, the natural environment and their community.

Summer camp is magic. It has the power to transform campers into confident leaders. It turns strangers into new friends. It replaces barriers with success.

Through outdoor adventures like canoeing, archery and horseback riding, campers gain self-confidence as they build or enhance skills. By living with other campers, everyone learns to work together and demonstrate the four core YMCA values of caring, honesty, respect and responsibility.

At Y camps, staff members are enthusiastic, well trained and prepared to guide campers of all backgrounds and abilities through programming that builds character in a safe, encouraging environment.

Scholarships:

Warren welcomes all who wish to participate and raises campership funds to ensure fees are not a barrier for anyone. For information about financial assistance, visit campwarren.org or call 612-822-2267.

TRADITIONAL CAMP

This is a classic sleepaway camp experience. Each day is packed with activities, adventure and opportunities to learn new skills. Campers enjoy a variety of fun including swimming, nature hikes, arts and crafts, boating, paddleboarding, garden, sports, tennis, climbing, target sports and more.

A session at camp includes all-camp games, giving back to the community through service activities, evening campfires and outdoor exploration. Campers staying for 2 weeks go on an overnight camping experience across Half Moon Lake.

PURSUIING PASSIONS

Choosing an emphasis program, traditional campers can dive deeper into an activity such as horseback riding, sailing, theater or photography.

BRIDGE PROGRAM

Campers can create a longer camp experience by bridging 2 or more sessions together.

LEADERSHIP CAMP

Campers age 16 and up learn what it takes to be a leader in the Counselor in Training program. Young people develop skills that prepare them to work as a future camp counselor or youth development worker by working closely with Y counselors to help deliver programming to younger campers.

This 4-week program includes lifeguard and CPR training from the American Red Cross, a backpacking trip and daily seminars on a variety of leadership topics.

WILDERNESS TRIPS

Paddle through the crystal-clear water and majestic pines of the Boundary Waters Canoe Area Wilderness (BWCAW) on a Short Border Canoe Trip for campers entering grades 7 and up. Campers learn the basics of wilderness canoe-tripping and minimum-impact camping. Before and after the 5 days of canoeing in the BWCAW, campers enjoy traditional camp activities at Camp Warren.

ADVANCED TRIPS

Skill progression is an exciting part of the Warren experience each year. Campers entering grades 9 and up may be invited to join an advanced canoe trip in the BWCAW or sailing trip on Lake Superior.

LIFE AT CAMP WARREN

Camp life provides a warm and nurturing environment. Groups of 10 boys or girls in the same age range stay in cabins with 2 counselors. Cabins offer a rustic, yet comfortable overnight experience. Campers choose 4 activities to explore, play and learn during the length of their session.

Cabin groups enjoy well-balanced, kid-friendly and nutritious meals served family style. A salad bar is provided at lunch and dinner, protein and fresh fruit is offered throughout the day, and vegetarian, vegan and gluten-free options are available. Most dietary needs can be accommodated with prior notice.

Many camp activities are progressive in nature, allowing for increased skill development each year.

- Archery

Y Camps respectfully acknowledge that we are on the appropriated homelands of Indigenous peoples. Each camp is working to build sustainable relationships with our Indigenous communities and endeavor to be responsible stewards of the sacred nature of their homelands.

We believe nature-based camp experiences should be available as a strategy for all communities to develop the children, families and overall health and wellbeing they envision. Y Camps are committed to creating anti-racist and anti-oppressive communities, ensuring our camps are a welcoming and affirming place for all campers and families.

EVERYONE BELONGS AT CAMP

Creating an uplifting and supportive community has been a Y tradition from the beginning, and we don't think anyone should be turned away because of financial constraints.
